Typing Support in Honolulu

REF : [redacted] 25X1A

1. This will serve to authorize disbursement of OSR funds not to exceed $1,000 in the current fiscal year through your 25X1A [redacted] for local typing and reproduction support required by this Office in connection with referenced case. OSR 25X1A allotment [redacted] should be charged and OSR Obligation Reference No. 92 should be cited for this purpose.

2. Arrangements have already been made for 25X1A [redacted] 25X1A of this Office to travel to Honolulu to examine voluminous unpublished material on West China to identify those materials of specific value to OSR. With the cooperation of the 25X1A [redacted] arrangements will then be made for the necessary typing and reproduction of materials required by this Office. It is difficult to estimate at this time how long it will take to complete this project; however it could last as long as a year.

3. The funds authorized herein are estimated to provide adequately for the necessary typing and reproduction through 30 June 1960; additional funds will be authorized for next fiscal year when FY 1961 funds are made available to this Office. If it is determined, after this project gets underway, that additional funds are required for FY 1960 such will be made available in a subsequent memorandum from this Office.
